

SPEAKER : P-630R

The P-630R is a premium coaxial ceiling speaker, designed with a 6.5" mid-bass driver and a 1" tweeter, delivering a 30W output at 100V. It features an innovative rotary switch, allowing installers to easily adjust the power tapping to match the acoustics of the installation area, ensuring optimal sound distribution even in challenging environments.

Built to last, the speaker is encased in a sturdy metal back enclosure, with carefully engineered padding to enhance sound clarity and depth. The P-630R is particularly well-suited for high-ceiling spaces like Hotel lobbies, Hotel banquet halls, and Hotel function rooms, where consistent and high-quality audio is a must.

Specification:-

	P-630R
Rated Output	30Watt
Power Rated	100 V/ 70V
Speaker Driver Type	Woofer + Twitter
SPL	89 dB
Freq Response	90-20 KHz
Transformer Taps (100 V)	30W/15W/7.5W/3.8W/8 Ohm
Secondary impedance (Ohm)	8 Ohm
Physical :	
Grille/Enclosure	Metal / ABS
Overall Size	230MM (D) x 150MM (H)
Cutting Hole (Diameter)	200MM
Weight (KG)	2.2
Colour	White
